Subject: Vaccine Passport

File No.

Res. 2021-

Moved by Councillor: B. Vrebosch

Seconded by Councillor: T. Vrebosch

Whereas the various levels of government in Canada and around the world, as well as public health partners and government health officials have acknowledged the importance and effectiveness of vaccines to protect our fellow citizens from COVID-19;

And Whereas Council believes it is important and necessary to take steps to protect our most vulnerable citizens, including those who are immunocompromised, or those, such as our young children, who are not yet eligible for vaccines;

And Whereas access to Municipal Government is an important facet of a healthy and thriving democracy;

And Whereas Council believes that the implementation of mandatory vaccination and testing policies will result in an increased sense of security for our staff and citizens in their daily interactions;

Now Therefore be it Resolved the Administration:

- (i) be directed to explore options for and implement a workplace policy with respect to COVID-19 vaccinations and testing for staff;
- (ii) explore additional measures and policies to ensure safe in-person interactions between staff and citizens; and
- (iii) report back to Council with options by September 30, 2021.
