## Business Unit Overview - 2022 Budget

### Community Services

#### **2022 Business Unit Pressures:**

The proposed budget includes the cost to deliver existing service levels to taxpayers. Departments included in this business unit, such as Arenas and Parks Revenues, remain focused on returning services to pre-pandemic levels. A significant portion of the overall net increase of \$1,209,254 or 6.87% over 2021 is a result of changes in contractual obligations that have transpired during 2021. There has also been some shifts in resources between departments in an effort to streamline and improve the efficiency of the services delivered. Highlights to note are as follows:

- **Fire Contract** – A new collective agreement was finalized during 2020 for fiscal years 2021 to 2025. The agreement stipulates the annual wage adjustments, retention pay (often referred to as 3-6-9 or progression through the ranks) that is impacted by years of service and parity to final negotiated Police agreements. These negotiated items are contributing to the increase in regular salaries of 7.93%.
- **Amended and Restated Arena Lease, License and Loan Agreement with the North Bay Battalion Hockey Club Ltd.** – During 2021, the City entered into a new agreement with the North Bay Battalion. The changes resulting from the new agreement have been reflected in the 2022 Operating Budget.
- **Arena & Parks Revenues** – The pandemic has caused significant decreases in facility rentals resulting in reductions to user fee revenues. The enclosed budget assumes the first half of 2022 will continue to experience reduced revenues while pre-pandemic levels are expected to return during the second half of 2022. Consistent with best practices, reserves in the amount of \$225,151 are being used to offset the impact of reduced revenues as they are short term in nature.
- **Grant Facilitator** – During 2021, a restructuring within Recreation, Leisure & Cultural Services has generated capacity to fund a full-time Grant Facilitator position within Community Development & Growth. The process of grant identification and application completion was historically consolidated with other job duties within Economic Development. The restructuring has provided the opportunity to fund a dedicated resource to focus on maximizing grant funding while also allowing the Economic Development Department to focus on facilitating private sector grants and growth.

<b>Total Part Time</b>	<b>8.57</b>	<b>7.71</b>
<b>Total Arena Staff</b>	<b>27.37</b>	<b>26.51</b>

**Note:**

\* Partially funded by the Capital Budget and third parties such as the Battalion

\*\* Partially funded by third parties such as the Battalion

### **Memorial Gardens**

This budget provides for the operations, maintenance and administration of the community facility. In addition, it provides for the cost of operating and running various major indoor city sports, ice rentals, events, concerts and attractions. Management of lease agreements with various organizations such as Battalion OHL Hockey, Men's Lakers Hockey, Women's Lakers Hockey and the Figure Skating Club.

### **Revenue Generating Activities and Contracts:**

#### **2020-2021 Season**

- 1) Battalion
  - 2) Bar – Battalion
  - 3) Concessions – Battalion
  - 4) Box Office – Battalion
- Battalion and Men's/Women's Lakers  
Seasons cancelled due to COVID-19

#### **2021-2022 Season**

- 1) Battalion Season - 35 games
- 2) Men's Lakers - 28 games
- 3) Women's Lakers- 28 games
- 4) Bar - Battalion
- 5) Concessions - Battalion
- 6) Box Office - Battalion

---

**Pete Palangio**

To provide for the management of the day to day operation, maintenance and administration of a twin pad arena operating for 10 months of the year. Activities range from ice rentals, meeting room bookings and event related activity rentals.

**West Ferris**

To provide for the management of the day to day operation, maintenance and administration of an arena, auditorium and boardroom. Activities include ice rentals, auditorium and boardroom bookings. In addition, it includes the management of lease agreements with various organizations such as West Ferris Minor Hockey, West Ferris Ringette Association, Girls Hockey, Youth Soccer and the North Bay Midget Trappers.

The condition assessment of the West Ferris building structure identified that the roof trusses have exceeded their design service life, but increased monitoring should allow for the operation of the facility in the short term.

## Activity Summary Overview - 2022 Budget

### **Building**

Building Services forms part of the Planning and Building Services Department. Building Services facilitates development through the issuance of building permits and administers and enforces the Building Code Act by issuing permits, conducting building inspections, plumbing inspections and keeping records according to the related City of North Bay By-Laws.

In addition, Building Services also administers the Property Standards By-Law & the Property Standards Committee.

## Activity Summary Overview – 2022 Budget

### Community Development & Growth

Community Development and Growth plays an integral role in the lives of those who work, live, and play in the City of North Bay. Creating, maintaining and delivering indoor and outdoor leisure facilities, activities, and opportunities, as well as providing economic, planning and building services are key objectives of Community Development & Growth. In 2021, Community Safety & Well-Being Planning was initiated in collaboration with community sectoral partners in mental health, addictions and homelessness.

The Director of Community Development & Growth provides overall leadership and direction for the department and ensures departmental alignment with the City's strategies, priorities and policies while positioning for growth. The director also acts as Executive Director to the Invest North Bay Development Corporation (INBDC). In this role, the Executive Director provides support to the Board of Directors. The Operating Agreement between the City and INBDC expired in July 2021. This role continues, however, as there are efforts still necessary for the wrapping up of INBDC.

Community Development & Growth provides assistance to a variety of community partners through funding agreements, resource development and staff support.

The Community Development & Growth department provides Grant Accessing Program assistance for the funding opportunities through various organizations such as NOHFC and FedNOR.

Community Development & Growth considers the internal and external environment we operate within and our available resources to ensure we are aligned with the following corporate strategic priorities:

- Natural, North and Near
- Affordable Balanced Growth
- Spirited Safe Community
- Economic Prosperity
- Responsible & Responsive Government

#### Positions:

	2021 FTE	2022 FTE
Director, Community Development & Growth	1.00	1.00
Grant Facilitator*	0.00	1.00
<b>Totals</b>	<b>1.00</b>	<b>2.00</b>

#### **Note:**

\* Increased personnel costs offset by personnel savings in Arts, Culture, Recreation and Leisure Services.

## Activity Summary Overview – 2022 Budget

### Economic Development

To provide for administration and program costs related to Economic Development activities that help facilitate employment and growth.

The department works with stakeholders on various community development initiatives such as workforce development and immigration, entrepreneurship and sector development, marketing and promotion.

Services include assisting existing businesses, prospective investors, and community partners with business and community development projects such as:

- Site searches and tours;
- Sale of municipally-owned industrial land;
- Public funding application assistance;
- Business retention and expansion assistance;
- Investment attraction and growth;
- Film/TV attraction and administration;
- Support for company export initiatives;
- Market analysis;
- Liaise with Provincial and Federal governments to support business and facilitate market development and trade opportunities.

#### Positions: \*

## Activity Summary Overview – 2022 Budget

### Fire and Emergency Services

North Bay Fire and Emergency Services (NBFES) provides an “all hazards” protection to 52,000 permanent residents and a full-time and part-time workforce in an area covering 314.9 sq. km. The Fire Service protects commercial and residential buildings, infrastructure, the city’s reputation, economy and most importantly people. We accomplish this through the 3 lines of defence: Education, Code Enforcement and Emergency Response.

#### Positions:

	2021 FTE	2022 FTE
Chief	1.00	1.00
Deputy Chief	1.00	1.00
Platoon Chief	4.00	4.00
Division Chief (Training)	1.00	1.00
Captain	12.00	13.00
Firefighter	58.00	58.00
Captain Fire Prevention Division	1.00	1.00
Fire Prevention Officer / Public Educator	2.00	2.00
Administration Clerk	1.47	1.47
<b>Totals</b>	<b>81.47</b>	<b>82.47</b>

NBFES responds to various types of calls for service including, but not limited to, structure fires, car fires, motor vehicle collisions, medical emergencies, for the purposes of preventing loss of life and injury of citizens and visitors to the city, as well as reducing the loss of property due to fires and natural disasters. It is important to note the firefighters take on the additional responsibility and training of technical rescue thereby permitting NBFES to respond to hazardous materials calls, ice rescue, high angle and confined space emergencies (limited).

#### Emergency Response

Total Responses 2019 1707  
Total Responses 2020 1804 5% increase

##### ➤ Fire Responses

- Outdoor, structure, vehicle 87
- Outdoor burning 111
- Explosion/overpressure 4
- Pre Fire Conditions 75

##### ➤ Alarm Investigations

- Automatic Alarm System 324
- Carbon Monoxide 94

##### ➤ Medical Emergencies 470

##### ➤ Rescue 234

##### ➤ Public hazard 71

##### ➤ Other Responses 333

##### ➤ Mutual Aid 1

## Activity Summary Overview – 2022 Budget

### Planning Services

Planning Services forms part of the Planning and Building Services Department. The mission of Planning & Building Services is to support and guide growth and development of North Bay towards a vibrant, livable and resilient community.

Planning Services provides land use planning services for the City as required by the Planning Act and the Municipal Act. Major activity areas include current planning operations, policy development, research, special projects and By-Law administration and enforcement.

Planning also administers the Committee of Adjustment, Heritage Committee, Municipal Accessibility Committee as well as the City's growth community improvement plan (GCIP).

#### **Committee of Adjustment**

To provide for the operation and activities of the Committee of Adjustment.

#### **Municipal Heritage Committee**

To provide for the operation and activities of the North Bay Municipal Heritage Committee.

#### **Municipal Accessibility Advisory Committee**

To provide for the operation and activities of the Municipal Accessibility Advisory Committee.

#### Positions:

	<b>2021 FTE</b>	<b>2022 FTE</b>
Manager of Planning & Building Services	0.60	0.60
Senior Planner - Current Operations	1.00	1.00
Zoning Administrator	1.00	1.00
Policy and Business Development Planner	1.00	1.00
Administrative Assistant - Planning	1.00	1.00
Special Projects Development Planner *	1.00	1.00
<b>Totals</b>	<b>5.60</b>	<b>5.60</b>

#### **Note:**

\* The position is funded partially through the capital budget and will be phased out of capital over a two year period. This is the second of a two year phase out.

## Activity Summary Overview – 2022 Budget

### Arts, Culture, Recreation & Leisure Services

To provide personnel and administration support for the Arts, Culture, Recreation and Leisure Services Department (ACRLS).

#### Positions:

	2021 FTE	2022 FTE
Manager Arts Culture Recreation & Leisure Services**	1.00	0.00
Community Development Coordinator	1.00	1.00
Community Events Facilitator	1.00	1.00
Administrative Assistant	1.44	1.44
Culture and Recreation Programmer	0.00	1.00
<b>Totals</b>	<b>4.44</b>	<b>4.44</b>

<b>Recreation Program Positions</b>	<b>2021 FTE</b>	<b>2022 FTE</b>
Youth Centre*	0.80	0.80
After School Program Supervisor *	0.84	0.84
After School Programmer*	1.14	1.14
Beach Director	0.27	0.27
Beach Staff	2.75	2.75
<b>Totals</b>	<b>5.80</b>	<b>5.80</b>

#### **Note:**

\* Programs funded wholly or partially through other funding sources

\*\* Personnel cost savings offset by personnel costs in Community Development and Growth

**Arts and Culture** - Work with Creative Industries and other Arts and Culture Sector organizations to enhance and support Arts and Culture initiatives within the City. Work towards implementing North Bay's Cultural Plan to facilitate cultural growth and awareness in the community. Initiatives include Culture Days and educational Cultural sessions and events.

Work closely with the Public Arts Advisory Committee to develop a Public Art Policy for the City as a means of enhancing & supporting the Arts and Culture Sector of the City.

**Trails and Active Transportation** - Work with other municipal department representatives and the Active Transportation Advisory Committee to implement the actions identified in the City's Active Transportation Master Plan. Initiatives include the development of trails, sidewalks, multiuse pathways, bike routes, safety education, mapping, etc. Increase awareness across departmental operations with respect to future developments of the City's Active Transportation Master Plan. Identify and prepare funding applications to support Active Transportation projects.

**Community Event Hosting Program** - Through the Community Event Hosting Program the ACRLS Department works in partnership with community groups and organizations as a means of supporting and growing local events and activities within the City. (i.e. Armed Forces Day, Bay Days, Rib Fest, Culture Days, Bay Block Party, etc.).

---

The ACRLS Department also acts as a resource to community event organizers by providing advice regarding event planning.

**ACRLS Events** - Facilitated by municipal staff through a community based organizing committee. Budget amounts represent City of North Bay's contribution for events such as Canada Day, Santa Claus Parade and Families First. The Department also organizes Concerts in the Park during the summer months.

**Community Development** - Work with neighborhoods, organizations and groups to facilitate and support positive recreational programs and services.

Work with the community to engage neighborhoods for the purpose of park development/new equipment or plans such as the Active Transportation Master Plan, Parks Master Plan, Age Friendly Action Plan and the North Bay Cultural Plan.

Work closely and in partnership with local service groups and organizations (i.e. Rotary, YMCA, etc.) to develop joint recreational opportunities, facilities and services in the City.

Development and management of City Agreements with Rotary Clubs, Creative Industries, Dionne Quints Heritage Board, Heritage North Bay, YMCA of North Eastern Ontario, District School Boards, Golden Age Club and the North Bay and District Humane Society.

**Park Bookings/Vendors** - The administrative booking of 72 parks and 38 buildings. Revenues collected for bookings are shown in the Parks Revenue section. The ACRLS department includes revenues from bookings and agreements for park vendors and Midways.

**Recreation Programs** - Includes Youth Centres, After School Programs and beach swimming lessons. These programs are coordinated by ACRLS staff on a cost recovery basis. Some of these programs are contingent on the receipt of grant funding.

The ACRLS Department also provides supervision/staffing for the City's outdoor rinks.

**Beach Program** - The purpose of the Beach Program is to provide lifeguards and instructors for aquatics programs at City beaches and to encourage safe and responsible use of City beaches.

Locations include: The Cove, Olmsted Beach and Waterfront Beach.

## Business Unit Overview - 2022 Budget

### Corporate Services

#### **2022 Business Unit Pressures:**

The proposed budget includes the cost to deliver existing services to taxpayers. Departments included in this business unit, such as, Council Secretariat, Customer Service and Provincial Offenses Administration continue to recover from the pandemic. The other departments in this business unit generally have experienced limited impact to operations from the pandemic. A portion of the overall net increase of \$357,483 or 6.36% is a result of changes in contractual obligations and pandemic recovery. Highlights to note are as follows:

- **Personnel** – This business unit has the majority of administrative staff that are moving from 35 to 37.5 hours per week. The change in personnel costs reflect this.
- **POA** - POA revenues are not anticipated to fully rebound in 2022. While there are savings in expenses to offset the reduction in fine revenues and some temporary funding from reserves, there continues to be an overall increase in budget pressures.
- **2022 Election Costs** – Election expenses will be offset by the Election Reserve, which is funded annually by a transfer of \$65,000 to the Election Reserve Fund.

#### **Service Level Changes (SLC):**

- Human Resources – Summer Student

---

## Activity Summary Overview – 2022 Budget

### Council Secretariat

#### Clerk's Department

The City Clerk's Office is responsible for Council Secretariat, Vital Statistics and Records Services.

In addition to overseeing these services, key responsibilities include executing the statutory duties of a Municipal Clerk, acting as "Head" under FOI legislation, and as Returning Officer for Municipal Elections.

#### Positions:

	2021 FTE	2022 FTE
City Clerk	1.00	1.00
Deputy Clerk	1.00	1.00
Administrative Assistant*	2.00	2.00
<b>Totals</b>	<b>4.00</b>	<b>4.00</b>

#### Note:

\* The number of staff is increased during an Election year by one FTE for a six-month period. This position is funded from the Election Reserve.

#### Elections

Responsible for Municipal Elections (Council and 4 School Boards) held every four years. The policy is to fund the election expenses from the annual budget amounts that are transferred to the Election Reserve Fund.

The next election will be held October 24, 2022.

## **Activity Summary Overview – 2022 Budget**

### **Customer Service Centre**

The Customer Service Centre (CSC) provides a “One Stop Experience” for residents, visitors and community partners that is conveniently located on the main floor of City Hall.

Customers pay for, inquire about, apply for and/or register for City licenses, programs and services. A team of dedicated Customer Service Clerks are cross trained to work in all communication channels of service – phone, mail, counter and e-mail platforms. CSC Clerks work to resolve most inquiries rather than spending time re-directing customers who accidentally arrive at the wrong counter or telephone extension. Excellent and efficient customer service is at the heart of all transactions completed in the CSC as the team promotes a positive, helpful and friendly environment to resolve customer concerns.

The CSC is a service focused culture where Clerks employ a customer-centric approach to their regular duties and work activities. CSC Clerks put customer needs first when presenting solutions and providing support. This customer-centric approach applies at the counter or behind the scenes processing paperwork or responding to customer service inquiries through phone calls, mail, email and in-person requests for most City services.

### **Objectives of the Customer Service Centre**

- Build relationships with the community
- Provide comprehensive and accurate responses in a timely manner
- Provide accessible customer service
- Provide responses that optimize productivity and resources while reducing duplication
- Provide a Centre that is customer oriented and which promotes a safe environment for staff and customers

### **Overview of Customer Service Centre Services**

Accessing services is one of the most important ways that citizens interact with municipal government. Excellent customer service builds trust and demonstrates that the City is dedicated to serving citizens. The addition of licensing services and centralizing Business Licensing, Residential Rental Housing Licensing and Lottery Licensing within the CSC in 2020 demonstrates our continued commitment to improve the way we deliver Citizen-Centred Services.

### **Information Services**

- Customer Service Inquiries in person, by phone, mail, and email
- Processing all incoming & outgoing mail for the Corporation
- Assist citizens with completing City forms and locating City information

### **Parking Services**

- Processing of parking rental inquiries, applications and payments
- Processing of parking tickets, ticket enforcement administration, payments, and inquiries.

---

### Licensing

- Business Licensing
- Residential Rental Housing Licensing including application commissioning
- Lottery Licensing
- Cat/Dog Tags
- Burn Permits (Residential Burn Permits and Non-Residential Burn Permits)

### Payments

- Water and Tax payments
- Accounts Receivable payments
- Municipal Accommodation Tax payments
- Building permit fees, Engineering and Public Works Service Contract fees
- Landfill tipping fees, Arena and Park rental fees, Fire inspection fees

### General Services

- Transit Passes
- Recycling bins, recycling calendars and garbage bag tags
- Special Event Registrations

## Activity Summary Overview – 2022 Budget

### Financial Services

Provide timely, responsive, efficient and innovative financial services to all our customers in compliance with legislative requirements, while fostering a spirit of trust and accountability.

Activities include the following:

- Ensure that only valid, properly authorized disbursements are processed on a timely basis taking all available discounts while providing for the development and monitoring of corporate Accounts Payable function.
- Ensure that authorized payrolls are processed in exact amounts in a timely fashion, in compliance with all corporate policies, applicable regulations, and reporting requirements.
- Ensure that Accounts Receivable processes are in place to ensure complete and timely billing for services rendered. Monitor and process third party agreement receivables.
- Coordinate the development and maintenance of annual Operating and Capital Budgets in accordance with Legislative requirements.
- To provide and present to internal and external customers timely, accurate, and fiscally responsible variance reports that will assist in the financial decision making process.
- Ensure timely and accurate financial reporting to various parties and ensure completeness and integrity of supporting data.
- Ensure effective and efficient corporate treasury services and customer support in compliance with all applicable legislation, regulations, and corporate policies.
- Ensure a tax administration system compliant with all applicable legislation and Council direction.
- Ensure that procurement processes are in place for materials, supplies and contracts required by the City, administering Requests for Tender and Requests for Proposals on the City's behalf, and administering the City's Purchasing By-law.
- Ensure proper recording and reporting of Tangible Capital Assets.
- Lead the organization in developing an Asset Management Plan and ensuring compliance with applicable legislation.
- Leadership role in Corporate Financial Planning.

## Activity Summary Overview – 2022 Budget

### Information Systems

The Information Systems (I.S.) department provides information, communications and technology services to support the City and Service Partners. Services include hardware and software configuration, installation and technical support, network design and implementation, geographic information systems (GIS), internet/intranet, information security, wireless and mobile technology and apps, and information and communication technology policy and support.

The I.S. department supports desktop, mobile and remote computing environments with physical and virtual servers in datacenter and remote environments. The I.S. department manages the transition to Cloud Based applications to ensure appropriate and consistent use of Cloud Based technology throughout the City.

I.S. supports networking, access and security at the desktop, server, remote-access and network infrastructure levels. In addition, I.S. supports all telephony services for the City and those connected through the corporate Local Area Network (LAN).

GIS services include standard mapping platform support, data mapping support, and GPS mapping support. GIS services are used regularly in City departments and on special projects such as the Official Plan, Zoning, Transit, Economic Development Site Selector, etc.

Database and program support is provided for both in house and commercial applications. The applications supported range from landfill scales to financial systems to infrastructure management programs and includes direct support, contact with 3<sup>rd</sup> party vendors and maintaining connectivity between applications for data sharing.

Some of the applications are:

- Corporate Financial Applications
  - General Ledger
  - Accounts Payable/Receivable
  - Budgeting
  - Building and permitting
  - Purchasing/Inventory
  - Tax and Water Billing
  - Payroll
- Asset Management
- External web sites and internal intranet
- Customer Relationship Management
- Event Scheduling and Ticketing
- Transit Scheduling
- Telephony Software
- Email
- CAD
- Mobile device software
- POA Court Recording
- Parking Management
- Vehicle Telemetry Software
- + Many more commercial and in house applications

The Information Systems department provides information, communication and technology services to all City departments and:

- District of Nipissing Social Services Administration Board
- North Bay Public Library
- North Bay Jack Garland Airport
- North Bay Battalion
- North Bay Mattawa Conservation Authority
- North Bay Police Services
- Cassellholme, East Nipissing Home for the Age

---

Information Systems implements and maintains inter-site network connectivity to over 20 sites connected by fiber optics as well as wireless technology, a corporate IP Telephony system that spans all City sites and other locations and other security systems:

- City Hall
- Parking Office
- Memorial Gardens
- Pete Palangio Arena
- West Ferris Arena
- Water Treatment Plant
- Wastewater Treatment Plant
- Merrick Landfill
- Hazardous Waste Depot/Septage
- Multi-Use Sports Facility
- North Bay Mattawa Conservation Authority
- DNSSAB West Nipissing
- DNSSAB Mattawa
- Fire Station 1
- Fire Station 2
- Fire Station 3
- Marina
- Lee Park
- Public Works
- Transit Terminal
- Jack Garland Airport
- North Bay Police Service
- North Bay Public Library

## Activity Summary Overview – 2022 Budget

### Legal Services

#### **City Solicitor**

Provides legal services required by The Corporation of the City of North Bay and Service Partners through a Solicitor entitled to practice law in Ontario with particular regard to Municipal Law and Municipal administrative procedures. Reviews legal matters referred to outside counsel.

Legal Services provide support to the following Service Partners:

- North Bay Public Library Board
- North Bay Jack Garland Airport
- Invest North Bay Development Corporation
- North Bay Hydro Holdings Limited
- North Bay Mattawa Conservation Authority

#### **By-Law Enforcement**

Provides for enforcement of all City By-Laws (except Property Standards By-Law) where investigations are conducted in order to gather information to gain compliance and where compliance cannot be attained, to proceed with prosecutions including charging and testifying in court.

Neptune Security are contracted by the City to provide enforcement, primarily focused on parking by-laws, but also to conduct investigations for various other by-law infractions under the direction of the By-Law Enforcement Coordinator. The contract is for 5 years beginning August 2021.

The By-Law Enforcement Coordinator directs all enforcement of parking by-laws within the City. The Coordinator is the main liaison contact with Neptune Security which includes billing, time sheet reviews, officer selection and daily direction for up to 8 officers. The Coordinator also works with various security firms in the City acting as agents of the City for enforcement purposes for both smoking by-laws and parking by-laws, which includes training officers. The Coordinator also handles most by-law complaints made to the City, handles all complaints with regards to parking tickets issued by Neptune Security officers and all security firm agents, and provides support for the Prosecutor with regards to file reviewing and testifying for some North Bay Police Services' charges.

## Activity Summary Overview – 2022 Budget

### Provincial Offences Administration

The City operates the Provincial Offences and Court Administration Centre for the North Bay Area which includes Trout Creek to Mattawa to Marten River to the French River, according to the following: a Provincial Memorandum of Understanding; a Municipal Partners' Agreement; a Court House Side Agreement; applicable statutory and common law.

#### Positions:

	2021 FTE	2022 FTE
City Prosecutor	1.00	1.00
POA Manager	1.00	1.00
POA Admin Clerk/Court Clerk Monitor	3.00	3.00
POA Collections Clerk	1.00	1.00
Legal Assistant	1.00	1.00
<b>Totals</b>	<b>7.00</b>	<b>7.00</b>

#### **Statistics**

##### **CHARGES FILED**

2013 = 16,680  
2014 = 14,161  
2015 = 14,339  
2016 = 12,750  
2017 = 12,016  
2018 = 11,092  
2019 = 10,769  
2020 = 7,242  
2021 = 9,300 (Estimate)

##### **POA FINE GROSS REVENUE**

2013 = \$1,718,857  
2014 = \$1,682,528  
2015 = \$1,573,974  
2016 = \$1,623,287  
2017 = \$1,404,049  
2018 = \$1,414,216  
2019 = \$1,245,584  
2020 = \$ 713,726  
2021 = \$ 973,553 (Estimate)

#### **Overview**

- Most common violations fall under the Highway Traffic Act, Liquor Licenses Act, Compulsory Automobile Insurance Act.
- Other violations include, but not limited to, offences enforced by the Ministry of Transportation, Ministry of the Environment and Department of Natural Resources.
- The decline in moving violation tickets filed began in 2011/2012 and has continued to drop each year.
- Collection of court imposed fines remains a continuing challenge across Ontario municipalities.
- A third party collection agency is supporting revenue collection.
- A new operating agreement with the City will be finalized in the coming months.

## Business Unit Overview - 2022 Budget

### General Government

#### **2022 Business Unit Pressures:**

The proposed budget includes the cost to deliver existing service levels to taxpayers. General Government encapsulates all corporate expenses that are not directly allocated to specific operating departments for the delivery of services. Items contributing to the overall net increase required of \$1,532,345 or 16.63% over 2021 are as follows:

- **Mayor's Plan Transfer from Reserves** – The annual budget has been phasing out the reserve transfer since the 2016 Mayor's Plan. This reserve has exceeded the original plan of four years as a result of annual operating savings experienced. The 2022 budget applies \$500,000 from this reserve with the continued intention that only the portion required to balance the year-end results will be transferred from the reserve and the unused portion will remain in the reserve to be applied towards future years' budgets in accordance with Council authorization.
- **Transfer from Reserves** – To finalize the 2021 Budget, there was a transfer from the Tax Rate Stabilization Reserve in the amount of \$375,000. This is being reduced to \$300,000 in 2022.
- **Hardship Grant Program** – This program was established for the 2021 Budget and was funded from the Tax Rate Stabilization Reserve. An agreement with LIPI was entered into for administration of the program in which funds were to be distributed to residents experiencing tax arrears arising from lost income during the pandemic. It is estimated that only about \$10,000 of the grant will be utilized in 2021. The program is recommended to be eliminated in 2022.
- **ARB and Minutes of Settlements** – The City has approximately 200 appeals outstanding annually. In an effort to manage risks and abide by the ARB rules and procedures the City's appeal strategy follows a set of criteria that maximizes resources by focusing on high municipal tax dollar risk, multiple base year appeals and properties of municipal interest. Over the last 5 years actual settlements have exceeded the budget estimate; therefore, the 2022 Budget contains an increase of \$500,000.
- **Growth Community Improvement Plan (GCIP) Transfer to Reserves** – The approval of the GCIP program was approved with a funding plan that required an annual increase in the reserve transfer by \$100,000. Given the success of the program this budget increase is required to ensure all approved applications are appropriately funded.
- **Principal & Interest and Capital Levy** - The capital levy is the annual funding contribution from the City's General Operating Budget that is used to finance projects within the City's General Capital Budget. In accordance with the City's Long-Term Capital Funding Policy the Capital Funding Allowance of 1% has been included in the Administration Recommended 2022 Budget and represents an increase of approximately \$969,000. As in prior years, this budget does not include a CPI

---

adjustment as is recommended in the City's Policy. Upon finalization of the update to the City's Asset Management Plan (June 2022), a review of the Long-Term Capital Funding Policy will be completed and recommendations will be brought forward at that time.

Lastly, in accordance with the City's Long-Term Capital Funding Policy, the annual funding allowance for the General Capital Budget includes \$8.5 million in debt financing to support capital projects. Principal and interest payments are budgeted within the General Operating Budget.

- **OMPF** - The Ontario Municipal Partnership Fund (OMPF) is the Province's main unconditional transfer payment to municipalities. The enclosed 2022 Budget includes the City's allocation of \$10,353,400 which represents an increase of \$259,200 over the 2021 OMPF allocation.

---

## Activity Summary Overview – 2022 Budget

### Financial Expenses

#### **Long-Term Financing**

Long-Term Financing is one of many funding options to finance capital projects. The City of North Bay seeks out flexible terms that match the municipality's needs. Consideration is given to the terms that match the life of the assets as well as interest rates, variable versus fixed and payment frequency. The amount of annual long-term financing is governed by the City's Long-Term Capital Funding Policy.

#### **Capital Levy (Pay go)**

The City's Long-Term Capital Funding Policy stipulates the amount of the capital levy to be included in the operating budget. The capital levy is funding collected from the tax levy to support capital infrastructure projects in the City's Capital Budget.

#### **Write-offs & Contingencies**

These series of accounts budget for the annual negative impact to the assessment roll resulting from assessment reductions.

Assessment changes may be initiated by the ratepayer or by the Municipal Property Assessment Corporation (MPAC). If an appeal cannot be resolved by MPAC an appeal with the Assessment Review Board (ARB) can be filed by the ratepayer. If the appeal goes to a Full Hearing, expert witnesses representing the City's interests are required.

In 2013 an Assessment and Real Estate Specialist position was created to assist in the administration of the City's Assessment Base Management Program. Monitoring of assessment appeals and proactive management of the assessment roll by the Specialist mitigates the deterioration of the assessment base.

#### **Growth Community Improvement Plan (GCIP)**

GCIP is a tool that allows a municipality to take actions to support improvements and redevelopment within a specifically defined Community Improvement Project Area. The three target areas within the plan are: The Housing Target Area, The Industrial Target Area, and The Downtown Target Area. Each area within the plan has defined incentives which require funding.

## Activity Summary Overview – 2022 Budget

### General Revenues

#### **OMPF**

The Ontario Municipal Partnership Fund (OMPF) is the Province's unconditional grant payment to municipalities. It is anticipated that the funding envelope in 2022 will remain stable.

#### **Municipal Taxation**

To provide for the calculation, administration, reporting, and collecting of municipal taxes. Property tax is the main revenue source for municipalities in Ontario. Municipal tax rates are set by each municipality based on their own individual tax revenue needs as part of their annual budget process.

#### **Payments In Lieu**

The City records payments in lieu (PIL) of taxes for properties owned by the federal or provincial government.

The Government of Canada makes payments under the Payments in Lieu of Taxes Act. Through its federal departments and Crown corporations and agencies it owns a large inventory of property that includes: office buildings, harbours, prisons, national parks, RCMP detachment buildings and post offices.

Properties owned by the Province of Ontario or provincial Crown corporations make PIL payments under the Municipal Tax Assistance Act for properties occupied or owned by the province, tenanted provincial property and property leased by the province from exempt entities.

Most federal and provincial properties benefit from the services provided by municipalities and the governments firmly support the principle that, as a property owner, even though it is exempt from taxation, it should share the cost of local government equitably with other property owners in the community. Payments are based on the principle of fairness and are equitable in comparison to those made by other property owners.

#### **Municipal Accommodation Tax**

On November 23, 2017, the Province of Ontario issued the Transient Accommodation Regulation 435/17, which came into force December 1, 2017 and provides the necessary provisions for municipalities across Ontario to implement a Municipal Accommodation Tax (MAT).

The implementation of a Municipal Accommodation Tax creates revenue to promote tourism in North Bay and leverage capital investment and development. A capital/infrastructure focus will enhance the City's ability to finance new projects and also serve to improve infrastructure sustainability and in doing so strengthen North Bay's ability to attract and offer major event opportunities as well as new business.

## Activity Summary Overview – 2022 Budget

### Mayor & Council

#### Mayor and Council

This cost center captures the expenses associated with the operations of the Mayor's Office and the activities of the City's ten councillors. Costs include compensation, travel, training conferences, office supplies, reception and other administration costs associated with City Council.

#### Positions:

	<b>2021 Elected Officials</b>	<b>2022 Elected Officials</b>
Mayor	1.00	1.00
City Councillor	10.00	10.00
<b>Totals</b>	<b>11.00</b>	<b>11.00</b>

#### Integrity Commissioner

On May 30th, 2017, multiple legislative amendments were passed through Bill 68. Part of the amendments focuses on accountability and transparency and includes the need for the public and municipal councillors to have access to an Integrity Commissioner, with broadened powers to investigate conflict of interest complaints and provide advice to councillors. The Integrity Commissioner services are included in legal fees within the Mayor's cost centre.

## Activity Summary Overview – 2022 Budget

### Office of the CAO

The Office of the CAO is responsible to the Mayor and Members of Council for the administration, coordination and direction of all affairs of the Corporation in accordance with the policies and direction established by Council. In addition the office comprises of the Communication and Strategic Development division.

The Communications and Strategic Development Officer supports the following:

- assists with the implementation and communication of the City's business plan
- develops and administers the approved Corporate Communication Plan
- coordinates corporate public relations activities and events
- develops and implements approved standards and protocols for social media networking mediums and content management of the corporate intranet
- oversees the approved graphic presentation and content management of the corporate web site
- assists in the preparation and distribution of media notices or releases
- reviews and implements approved recommendation with regards to identity and brand management for the City of North Bay
- assists with the development and implementation of approved policies and standards across the Corporation
- ensures consistent marketing and promotion of the City of North Bay
- acts as corporate media liaison as required

This cost centre captures all the costs associated to the operations of the Office of the Chief Administrative Officer including total compensation, training, travel, office supplies and other administration costs.

## Business Unit Overview - 2022 Budget

### Infrastructure and Operations

#### 2022 Business Unit Pressures:

The proposed budget includes the cost to deliver existing service levels to taxpayers. Departments included in this business unit, such as Transit and Parking Operating, remain focused on returning services to pre-pandemic levels. Significant changes in the 2022 budget are as a result of changes in operations approved by City Council. The overall net increase of \$674,159 or 3.13% can be highlighted as follows:

- **Landfill Operations** –The City is taking over site operations at Merrick Landfill as of January 1, 2022. The enclosed budget includes the various line item budget increases such as fuel, vehicle usage, training, personnel, etc. The forecasted in-house annual operating costs are budgeted at \$1.1 million and provides for net annual savings of approximately \$180,000. These savings are recommended to be transferred to landfill reserves in order to reimburse the initial capital cost requirements.
- **Winter Control** – Consistent with past practice the winter control budget is based on the historical 7-year average. All year-end surpluses or deficits are recommended to go to or from reserves. Currently the balance in the Winter Control Reserve is nil.
- **Transit Revenue** – Transit revenues have been significantly impacted by COVID-19 and have not fully rebound to prior levels. The anticipated revenue shortfall has been offset with Safe Restart funding in the amount of \$934,667. While the City is optimistic that revenues will continue to recover, the future impact on operations from COVID-19 remains uncertain.

#### Service Level Changes (SLC):

- Mattress Drop off Day Event at Public Works
- Parking Garage Security
- Trees for Nipissing

---

## Activity Summary Overview - 2022 Budget

### Aquatic Centre

To provide for the agreement between the YMCA and the City of North Bay to assist with costs to maintain the Aquatic Centre operated by the YMCA.

- Aquatic Centre Capital & Operating budget development and implementation in coordination with the YMCA
- Capital Project Management; planning, execution, risk management, closure, warranty follow-up
- Budget reporting and management
- Participate on Energy Efficiency Action Committee
- Creation, implementation, and maintenance of an assets management plan
- Health & Safety

<b>Totals</b>	<b>17.30</b>	<b>16.80</b>

#### Notes:

- \* Partially funded from capital budget.
- \*\* Infrastructure Engineer and one Field Tech I funded entirely from capital budget.
- \*\*\* Most of the activities and tasks of the various positions are directly related to Capital projects and are therefore recovered from the applicable projects. These activities include project management, surveying, design, contract administration, and inspection.
- \*\*\*\* 3-year contract for the Community Center Capital Project.
- \*\*\*\*\* Reallocation from Works Department.

### Summary Information

The major activities of the Engineering Department include project management for design and construction of municipal infrastructure (roads, streetscaping, watermain, sanitary and storm sewers, culverts, and bridges) including pre-engineering surveys for design, environmental assessments, preliminary and detailed design, as well as contract administration and inspection for construction projects. Other activities include asset management, traffic engineering, development review, long-term planning studies, utility approvals, and private property servicing requests (service contracts). The major categories of activities are Infrastructure, Capital Works, Engineering Technical Services, Development, and Traffic.

### Infrastructure

The Engineering Department conducts studies and analyzes the performance of the City's infrastructure networks to ensure that the provision of road, water and wastewater services are safe and reliable. This is accomplished through the following programs: Asset Management for the core assets, including updates to the State of the Infrastructure Reports and Asset Management Plan; Bridge and Culvert Management Program; Infrastructure Needs Assessment; and Pavement Management Program.

---

## **Capital Works**

Activities for municipal infrastructure projects (roads, streetscaping, watermain, sanitary and storm sewers, culverts, and bridges), include:

- In-house survey
- Management of specialized consultants (geotechnical, etc.)
- In-house/consulted Environmental Assessments
- In-house/consulted preliminary and detailed designs
- Project management for design and construction
- Management of consulted engineering services
- In-house contract administration and inspection services for construction
- Collection of as-built construction information

The Engineering Department also provides planning, survey, design, cost estimating, and advisory services to other City departments with respect to their capital works.

The department is a liaison with regulatory agencies and utilities to obtain permits and approvals and to coordinate design and construction activities. Review services are also undertaken for Ministry of the Environment, Conservation, and Parks approvals for design and construction of watermain, sanitary sewers, and storm sewers.

## **Engineering Technical Services**

The department provides a wide range of services to the general public including:

- General engineering inquiries
- North Bay maps (Road, Rural and Urban)
- Engineering drawings (Plan & Profile, Details, City Standards)
- City projects digital drawing archives
- Servicing requests from private property owners for water, sanitary, and storm connections (Service Contracts)
- Property status requests
- Utilities Municipal Consent processing (Hydro, Telecommunication, Gas, etc.)
- AutoCAD mapping services
- Traffic counts
- Maintenance of as-built construction information

## **Development**

Engineering assists the Planning Department with review of new developments including: Subdivision Development (Subdivision/Draft Plan Approvals, Pre-servicing Agreements, and Subdivision Agreements), Site Plan Control Agreement Applications, Major Property Development, General Property Development, Committee of Adjustment Applications, Minor Variance Applications, and Consent Applications. Engineering provides comments and recommendations related to the storm water management, water and sewer servicing, grading, erosion and sedimentation control, and traffic impact.

## **Traffic**

Activities for traffic engineering services include: review, analysis, and recommendations for traffic requests (stop signs, traffic signals, pedestrian crossings, and speed concerns).

## Activity Summary Overview – 2022 Budget

### Environmental Services

#### Summary Information

The Environmental Services' budget provides for the operation and maintenance of the engineered landfill sites, waste and recycling collection, household hazardous waste disposal, and environmental remediation and consulting services for contaminated lands owned by the City.

#### Positions:

	2021 FTE	2022 FTE
Senior Engineer	0.33	0.33
Roads, Traffic and Landfill Manager*	0.00	0.10
Landfill Supervisor*	0.00	1.00
Landfill Operations Coordinator	1.00	1.00
Waste Management Coordinator	1.00	1.00
Hazardous Waste Attendant	2.00	2.00
Organic Depot - Student	0.60	0.60
Landfill Attendant*	3.55	4.55
Heavy Equipment Operator*	0.00	4.00
W&WWF Operator	1.00	1.00
<b>Totals</b>	<b>9.48</b>	<b>15.58</b>

#### Note:

\* Change in FTEs due to the City taking over the Merrick Landfill site operations effective January 1, 2022.

#### Garbage Collection

Solid waste collection is contracted to Miller Waste Systems. The contract commenced July 1, 2010. It was amended and extended July 1, 2020 with a new termination date of July 1, 2030. All residents of North Bay receive waste collection; an estimated 19,000 households will receive curbside pick-up and approx. 4,500 households are served through the multi-residential collection service.

#### Blue Box Program

Blue Box Program includes collection, processing, sales of goods and advertising. The Blue Box Program is included in the Garbage Collection contract with Miller Waste Systems. The City also leases the Facility and is currently negotiating an extension on the lease.

Waste diversion is a Ministry of the Environment requirement of operating the City's landfill site and is subsidized through Provincial Stewardship Programs. The program cost is funded between 40% to 50% depending on performance and efficiencies measured through a provincial data call. The higher the measured performance the greater the funding received. The City has consistently received at or very near 50%.

#### Household Hazardous Waste (HHW) Depot

Maintaining a Household Hazardous Waste Program is a requirement of the Certificate of Approval to operate a Landfill. The site is open year-round. Services are offered to surrounding municipalities and charged out on a per household basis. The established fee is \$2 / household.

On October 1, 2021, the Hazardous and Special Products (HSP) Regulation came into effect following the wind up of the Municipal Hazardous and Special Waste program operated by Stewardship Ontario on September 30, 2021. HSP producers are now individually accountable and

---

financially responsible for requirements set out under the HSP Regulation. This legislation change requires the City to execute new agreements with producer responsibility organizations; however, does not have an impact on the 2022 Budget. The 2022 Budget assumes that the funding from HSP will be at the same level as previous funding from Stewardship Ontario.

### **Merrick Landfill**

The Merrick Landfill Site operates under the Ministry of Environment, Conservation and Parks (MECP) Provisional Certificate of Approval No A530116 which provides the disposal of domestic, commercial and non-hazardous solid industrial wastes within a 16.4 hectare area of a 360 hectare site. Since the landfill opened in July 1994 the site was operated by a combination of a contracted Site Operator retained by the City and City personnel. The Site Operator is responsible for compaction of waste, management and maintenance of daily and final covers, maintenance and repair of access roads and litter control. The City manages the site operator contract, controls access to the Site and operates the weigh scale, leachate treatment, landfill gas collection, ground water and surface water sampling.

In 2020, a broad committee of staff completed a detailed self-perform plan to determine if in-house operation of the Merrick landfill is in the City's best interest. The City's in-house proposal included the same scope of work that is included in the existing landfill operations contract. The forecasted 2022 in-house annual operating cost estimate was approximately \$1.1 million and was presented to Council in 2021.

Council approved the City's proposal and staff has put measures in place to ensure they are ready to take on the landfill operations starting January 1, 2022. The 2022 Budget presented in this package is the same as the budget which was presented to Council in March 2020.

As of December 31, 2021, the Merrick Landfill site will be 27 years old and have an estimated remaining life of 16 years based on the Engineer's report.

Tipping fees are collected on commercial/industrial waste deposited at the landfill site. In 2021, tipping fees increased from \$99 to \$102/tonne and will remain at this rate for 2022.

### **Leachate Treatment**

The Leachate Treatment Facility, which is a requirement of the Ministry of the Environment Certificate of Approval, was commissioned early 2018 and is now operational.

### **Marsh Drive Landfill**

Marsh Drive landfill closed in 1994. Costs are for the perpetual care of the landfill.

### **Organic Depot**

The Organic Depot accepts and diverts organics from the Merrick Landfill Site. These Waste Reduction/Diversion activities are a requirement under the City's Certificate of Approval to operate a Landfill Site.

## Activity Summary Overview – 2022 Budget

### Fleet Management

The Fleet Department represents vehicle costs for Wastewater, Water, Roads, Traffic, Survey, Parks, Arenas, Parking, Landfill, Fire and Transit Departments.

The independent review of our fleet operations was conducted in 2014 and we have moved ahead with implementation of a number of directives identified in that review. In 2018 we implemented a new Fleet Management Information System (FMIS) that streamlines our workflow, enhances our reporting and management of our fleet. 2019 was the first complete year using the new system.

#### Positions:

	2021 FTE	2022 FTE
Manager	1.00	1.00
Fleet Coordinator	1.00	1.00
Supervisor	1.00	1.00
Chargehand	2.00	2.00
Fleet Analyst	1.00	1.00
Parts Technician	2.00	3.00
Technician	15.50	14.50
Labourer	5.00	5.00
Summer Student	0.60	0.60
<b>Totals</b>	<b>29.10</b>	<b>29.10</b>

#### **Life Cycle Management:**

Fleet is mandated to operate with a full cost recovery life cycle management approach. This approach focuses on the cost and performance management of the fleet. Using performance metrics the system is set up to optimize Fleet operations. The approach includes:

- Vehicle and equipment age is set by mileage, time, hours used and anticipated usage
- Replacement intervals are set to maximize resale value and minimize excessive repair expense
- Performance tracking tools are used to assist in management of vehicles and equipment
- Adherence to regulatory compliance
- Driver safety training is provided to staff
- Competent equipment operators

## Activity Summary Overview – 2022 Budget

### King's Landing

To provide for general maintenance of the municipal dock (King's Landing). It includes the buildings and utilities to ensure their prescribed use.

In 2011, King's Landing underwent a structural integrity report which identified some significant structural recommendations for the next 10 years. At that time capital funding required to maintain the current operation of King's Landing was estimated at \$2.5 million. The immediate remediation recommended was completed to ensure continued safe use of the facility.

In 2013, the City contracted Mitchell Architects to complete a Waterfront Commercial Tourism Attraction Feasibility Study with the intent to consider growth potential of all areas along the Golden Mile and inclusive of the marina and King's Landing. This report was presented to Council in the spring of 2014.

In 2015, King's Landing underwent a structural integrity report to determine its operational load capacity and review potential repair requirements and opportunities including their costs. This report was received in the spring of 2016. The report identified several deficiencies that were addressed and load restrictions that were implemented. The report also provided high level estimates for the rehabilitation of segments of the wharf (estimates of potential options ranged from \$2.5 to \$3 million).

In 2016, an Environmental Assessment Study was initiated to identify long term options for rehabilitation or redevelopment of the wharf.

In 2017, options for the potential redevelopment of King's Landing were presented. Council directed staff to complete cost estimates for:

- (a) The rehabilitation of King's Landing, and
- (b) The redevelopment

In 2018, 60% detailed design with costing for comparative purposes of the Redevelopment versus Rehabilitation Options were undertaken. Comparative designs including costing, supporting background and a preferred alternative were presented to Council in July 2019 for Council's direction. In July 2019, Council:

1. Approved the Preferred Alternative for the phased replacement of the King's Landing Wharf with a naturalized spit and expansion of the pier on the south side of the marina as recommended by the Schedule C, Class Environmental Assessment (EA).
2. Directed Staff to complete the Schedule C, Class EA Report and table it for the 30 day review period.

The preferred alternative includes 4 phases:

- Phase 1: Major Rehabilitation of existing King's Landing
- Phase 2: Construct New South Pier / Commercial Area
- Phase 3: Construct Rock Fill Wavebreak
- Phase 4: Landscape / Naturalize Wavebreak

Construction would be scheduled depending on the availability of the necessary funding and direction of Council. In the meantime, continued maintenance of King's Landing has been budgeted.

In June 2020 the City received confirmation that MECP have no further input or objections to the Project and as such the Class EA for the project is complete. At the same time MOECC confirmed that no Part II Orders were received. Upon initiation of the future project MECP requested that North Bay District Office be consulted regarding this project where appropriate.

## Activity Summary Overview – 2022 Budget

### Marina

To provide personnel, goods and services to operate the North Bay Waterfront 220 boat slip Marina from May to October. This includes the waterfront boat launch, kayak storage, launch services and security services during the night.

Activities include:

- Slip bookings and renewals
- Kayak rack rentals
- Dock, building and grounds maintenance
- Fuel tank maintenance and operation
- Sale of ice, worms, fuel, merchandise
- Pump out of boat septage
- Boat launch sales
- Provision of overnight security

### Positions:

	2021 FTE	2022 FTE
Facilities Coordinator	0.30	0.30
Assistant Marina Coordinator	0.39	0.39
Marina Attendant	1.40	1.40
<b>Totals</b>	<b>2.09</b>	<b>2.09</b>

### **Notes:**

Operating budget includes an expense of \$24,000 for Marina security services.

Future direction by Council with regard to the Waterfront Tourism Commercial Attraction Feasibility Study, Downtown-Waterfront Master Plan, and the King's Landing Redevelopment or Rehabilitation could have an impact on Marina Operations in the future.

The Marina does not currently impact the tax levy. Any shortfall in revenues is offset by a transfer from the Waterfront Purposes Reserve.

## Activity Summary Overview – 2022 Budget

### Parking Operations

Provides for the maintenance and management of the City's on and off-street parking program including:

- Parking Department Capital & Operating budget development and implementation
- Capital Project Management; planning, execution, risk management, closure, warranty follow-up
- Budget reporting and management
- Management of monthly parking rental program
- Participation with the internal Downtown working group
- Participation on the Energy Efficiency Committee
- Parking lot development
- Daily and seasonal maintenance
- Coin collection and processing
- Parking meter maintenance
- Coordinator schedules work for both Parking and Parks staff in the Central City core

## Activity Summary Overview - 2022 Budget

### Parks Operations and Sports Field Complex

#### **Parks Administration**

To provide for the administration, development, supervision and maintenance of 775 hectares of parkland and facilities.

#### **Building & Infrastructure**

To maintain the 38 parks buildings, 4 picnic shelters and other park amenities including 9 ball fields, 6 sports fields, 3 tennis courts, 22 playgrounds, 11 outdoor rinks, 1 splash pad, irrigation systems, fountain, pathways, roadways, parking lots, Kate Pace Way, nature trails, parks furnishings and docks.

To provide for the set-up, maintenance and take down of special events in the City including: Families First, Family Day, Canada Day, Santa Claus Parade and parks permits such as walkathons, triathlons, concerts in the park, weddings, family and corporate picnics, sports tournaments and other summer events.

#### **Central City Maintenance**

To maintain the following high profile areas within the Central City Area:

- |                                   |                               |
|-----------------------------------|-------------------------------|
| ➤ Algonquin Median Planter        | ➤ Algonquin Regiment Parkette |
| ➤ Civic Square                    | ➤ City Hall Parkette          |
| ➤ Ferguson Block Parkette         | ➤ Downtown Sidewalks          |
| ➤ Richardson Fountain Parkette    | ➤ Memorial Park               |
| ➤ Waterfront Pedestrian Underpass | ➤ Transit Terminal            |

#### **Grounds Maintenance**

To provide for the horticultural, turf and arboricultural maintenance, garbage removal, beach and cemetery maintenance.

- |                          |              |
|--------------------------|--------------|
| ➤ Total number of parks  | 72 parks     |
| ➤ Total fine turf areas  | 87 hectares  |
| ➤ Total rough turf areas | 25 hectares  |
| ➤ Trees to maintain      | over 2,500   |
| ➤ Shrubs to maintain     | over 9,850   |
| ➤ Flowers to maintain    | over 20,000  |
| ➤ Public Beaches         | 10           |
| ➤ Lake Accesses          | 42           |
| ➤ Cemeteries             | 1.9 hectares |

#### **Minor Equipment Maintenance**

To maintain Parks small vehicles and equipment including:

- utility vehicles, zero turn mowers, utility tractors
- turf equipment - over-seeder, aerators, top-dresser, mowers, sod cutter
- ball diamond groomer, beach groomer, roto-tillers
- lawnmowers, line trimmers, snow blowers, leaf blowers, chain saws

---

## **Heritage North Bay**

The City has an operating agreement with Heritage North Bay (commenced June 2004) to provide funding for the Heritage Gardener Program to maintain the Waterfront shrub beds.

In 2011, an agreement was finalized with Heritage North Bay to provide funding for the grounds maintenance of Community Waterfront Park. In 2012, the Parks Department was successful in securing the maintenance contract which by mutual agreement has been extended and is still in effect.

In 2018, an agreement was finalized with Heritage North Bay to provide funding for the operation of the North Bay Museum.

## **Summer Capital Projects**

The budget for this cost center has a net total of zero dollars. It documents the 6 Summer Season positions assigned to the Parks Capital Projects. The significance of the Summer Capital Projects crew include:

- this crew is assigned to projects that have a small scope of work
- contractors typically charge a premium for these small projects
- Parks is able to set the priority and schedule for this work
- administrative efficiencies and savings due to the elimination of RFQs and invoicing
- the result is these projects are more cost effective

## **Steve Omischl Sports Field Complex**

To provide for the maintenance of the Sports Field Complex that has staff on site seven days a week who maintain the following:

- 2 artificial turf sports fields
- 1 natural turf sports field
- 3 ball diamonds
- Washroom/Change room

## **Activity Summary Overview – 2022 Budget**

### **Roads Department**

#### **Ditching and Drainage**

This activity reflects the costs associated with the maintenance and repair of approximately 320 kms of surface drainage facilities. It includes cleaning and reshaping of ditches, bridge maintenance, maintenance and repair of entrance culverts, the replacement and repair of concrete curbs and asphalt gutters. The activity also includes curb cuts and/or culverts for new entrances, which is funded, for the most part, by the applicant of the service. Work is carried out mutually by staff and contractors.

#### **Roadway Maintenance**

Roadway maintenance includes the maintenance of the road surface in compliance with the Minimum Maintenance Standards, excluding sidewalks and drainage. It includes asphalt roadways, gravel roadways, shouldering, sweeping/cleaning and boulevard maintenance. Work is carried out mutually by staff and contractors. There is maintenance in the form of patching and surface treatment as well as improvements and street resurfacing under contract.

Total road systems are comprised of 811 kms which consists of arterial, collector and local streets. Approximately 27% of which is rural.

#### **Service Contracts**

This activity includes curb cuts and/or culverts for new entrances, which is funded by the applicant of the service. Fees are determined through direct service contracts with the City of North Bay on a full cost recovery basis.

#### **Sidewalks**

This activity includes the maintenance and replacement of existing sidewalks in compliance with the Minimum Maintenance Standards; does not include winter maintenance or costs for new sidewalks. There are 145.5 kms of sidewalks which are comprised of both asphalt and concrete.

#### **Street Lighting**

This activity includes the power and maintenance for street lighting in compliance with the Minimum Maintenance Standards. The locations include residential (3,554), collector (1,051), arterial (786) and Airport Terminal lights (31

#### **Traffic**

Traffic activities are both planned through the Provinces Minimum Maintenance Standards and emergency response situations. Work includes pavement marking, traffic control signal maintenance and improvements, traffic and street name sign maintenance and repair, railway crossing and guide rail maintenance. This activity also includes traffic counting, barricade and signage for street work.

---

## Winter Control

This activity accounts for winter maintenance in the form of snow plowing and snow removal, sanding and salting of both City streets and sidewalks. Work is performed by City staff using City equipment supplemented by contracted vehicles and equipment for snow removal.

Winter control activities are planned and executed such that the City operates within the Province's Maintenance Standards. The Roads Department documents all winter control activities and reviews practices to ensure efficiencies and cost effectiveness.

## Supervision of Roads and Traffic

All the activities listed above include both wages and vehicle costs for the Roads Department Manager and three Supervisors.

### Positions:

	2021 FTE	2022 FTE
Heavy Equipment Operator (1- 6/6 Winter Control)	2.00	2.00
Grader/ Utility Loader	2.00	2.00
Truck Driver/Tandem	17.00	17.00
Loader	1.00	1.00
Chargehand	6.00	6.00
UTL (5 - 6/6 UTL Winter Control)	3.00	3.00
Sign and Marking Technician	2.00	2.00

## Activity Summary Overview – 2022 Budget

### Storm Sewers

#### **Maintenance**

Cleaning, maintenance and repair of approximately 226 km of storm sewers, 2,417 storm manholes and 4,877 catch basins.

#### **Connections**

Maintenance and repairs of existing service connections and installations of new service connections from the storm mains to the property line.

Fees are determined through direct service contracts with the City of North Bay on a full cost recovery basis.

#### **Restorations**

Provide for the construction and/or repairs of the storm sewer system.

#### **Hydrants**

Repairs and maintenance of 1,458 fire hydrants and installation of new hydrants where required as well as provide winter access to all fire hydrants.

#### **Allocated Employees**

4.25 full time equivalent employees (FTE'S) from the Water and Sanitary Sewer crew are allocated to the Storm Sewer System and Fire Hydrants as follows:

#### Positions:

	2021 FTE	2022 FTE
Director of Public Works	0.05	0.05
Operations Manager, Water & Sewer	0.10	0.10
Administrative Supervisor, Public Works	0.05	0.05
Operations Supervisor, Water & Sewer*	0.40	0.40
Chargehand*	0.80	0.70
Operator 1*	1.40	1.80
Loader Backhoe Excavator	0.10	0.05
Certified Sewer Cleaner/Flusher	0.30	0.30
Truck Driver	0.20	0.10
Heavy Equipment Operator*	0.20	0.40
Sewer & Water Clerk	0.10	0.10
<b>Totals</b>	<b>4.25</b>	<b>4.05</b>

#### **Note:**

\* (1) Supervisor, (1) Chargehand, (1) Heavy Equipment Operator and (3) Operator 1 are funded from capital budget.

## Activity Summary Overview – 2022 Budget

### Transit

The Transit Department delivers daily transit service. It includes scheduling; training; responding to public inquiries and providing transit dispatch; and accident investigation and reporting. Pre-pandemic the annual service was 64,000 operating hours, 1.3 million kilometers traveled and provided over 1.5 million rides

In 2021, Transit operated a hybrid operation of fixed and dynamic routing adjusting the service hours, frequency and routing to match current and forecasted demand. Through to the end of 2021, Transit is projected to operate 39,000 hours, traveling 745,000 kilometers and providing approximately 450,000 rides.

It is planned to continue to provide a hybrid operation through 2022 and make adjustments to match utilization and forecasted demand as required.

### **Plant & Premises**

Provide accessible transit shelter maintenance and installation, installation and maintenance of bus stop signs, janitorial services and grounds maintenance for the terminal and grounds area for public and operations use at the Oak Street Terminal.

### **Administration**

General administration for Transit and Para Bus service.

#### Positions:

	<b>2021 FTE</b>	<b>2022 FTE</b>
City Engineer	0.10	0.10
Transit Manager	1.00	1.00
Administrative Assistant	1.00	1.00
Transit Supervisor	2.00	2.00
Transit Planning Analyst	1.00	1.00
Transit Operator*	24.00	24.00
Transit Bus Wash Operator	2.36	2.36
Spare Board Operator	5.31	5.31
Crossing Guard	2.84	2.84
<b>Totals</b>	<b>39.61</b>	<b>39.61</b>

#### **Note:**

\* The budget reflects current staffing levels of 22 Transit Operators. The 2 vacant positions will not be filled until the revenues increase to 2019 levels as the transit system recovers from the impact of COVID-19.

### **Para Bus**

Provide a safe and efficient method of transportation for the physically disabled community in North Bay. To maintain the specialized vehicles for service as legislated and to operate a public information and dispatch office.

### **Crossing Guards**

Provide guards at 15 crossing locations within the City to allow safe crossing for children up to grade 8.

# **2022**

# **SERVICE LEVEL CHANGES**

## Service Level Reduction / Increase 2022

**Description/Title:** Community Safety & Well-Being Planner

**Service Enhancement or Reduction:** Enhancement

**Public:** X **In Camera:**           

**Service Area/Business Unit:** Community Services

**Department:** Planning & Building Services

**Costing Center #:** 5001

**Budget Impacted:** Municipal Levy X Building Permit    Reserve    Other    Water    Sewer   

### Detail:

The City completed its Community Safety Well-Being Plan (CSWB) in June 2021. The Police Services Act requires that a municipality facilitate, monitor and report on the Plan's implementation. Recent correspondence from Ontario's Solicitor General states that:

"The development and completion of these plans demonstrates municipal leadership and commitment to proactively address crime and complex social issues facing your communities. Municipalities are best positioned to work with local partners to develop effective community strategies and programs and create sustainable communities that respond to local needs and conditions."

"Municipalities are also encouraged to continue to work with respective police service, local multi-sectoral partners, and community members on the development and implementation of local CSWB plans. Localized, community-driven collaboration remains key to the success of CSWB planning, given the focus on creating workable solutions that are grounded in and tailored to individual community needs and features."

The "Community Safety & Well Being in North Bay: A plan to foster a safe, healthy and inclusive community" has 4 Priority Areas being: 1. Service Area Network 2. Addictions 3. Homelessness 4. Mental Health. It has 15 Strategies and 57 action items and the corresponding implementation, monitoring and reporting efforts.

For a community the size of North Bay, it is necessary to have at least one designated staff person to ensure the day to day efforts to facilitate the CSWB Plan's implementation, monitoring and reporting are undertaken. The CSWB Executive has advised that this position maybe able to realize some revenue from surrounding communities who will require assistance in implementing their CSWB Plans. It is too early to confirm this as a potential revenue source at this time, but will be investigated and followed up on by staff to determine the feasibility of this potential revenue opportunity.

### Link to Strategic Plan: Spirited Safe Community

- Work with community stakeholders to enhance safety and integration throughout the City.
- Encourage openness and diversity in Community for all residents.

## Service Level Reduction / Increase 2022

**Description/Title:** Creative Industries

**Service Enhancement or Reduction:** Enhancement

**Public:** x **In Camera:**

**Service Area/Business Unit:** Community Development & Growth

**Department:** Arts Culture & Recreation

**Costing Center #:** 5829

**Budget Impacted:** Municipal Levy x Building Permit  Reserve  Other  Water  Sewer

---

### Detail:

Other municipalities support their creative sector through dedicated staff and through micro-granting programs to support the arts at the grass roots level. Currently City Council supports Creative Industries (CI) with \$50,000/year which they have leveraged successfully by acquiring additional funding from other sources.

CI would like to take advantage of the opportunity to fundraise at the local level from private donors. The funds raised would then be used to fund a micro-granting program to support artists in the community. This initiative would further nourish and strengthen the local creative sector. A strong creative sector is an indicator of a community's quality of life and attractiveness.

For CI to fundraise from private donors they would be required to register as a charity and undertake all the operations and reporting duties associated with operating a non-profit charity. It is proposed that the City offer an initial \$20,000 to support a micro-granting program as it gets up and running, to be reviewed on an annual basis. Eligible applicants will be able to apply for funding that will be evaluated by a jury of peers to determine the level of support based on overall eligibility; merit, viability and impact to both applicant and community of North Bay.

The future of the micro-granting program is to have private donations increase the program envelope. This would be accomplished by Creative Industries moving forward with charity non-profit status in 2022. Charity status will allow Creative Industries to create an endowment fund to grow the program and issue tax receipts for community donations. Charity status and maintaining endowment records will require additional administrative resources to initiate, undertake, monitor and report. Therefore, Creative Industries has requested an additional \$25,000 to grow its administrative capacity to undertake the necessary work associated with a non-profit charity. The payback if successful is that Creative Industries will have the capacity to fund raise in the future, allowing it to grow its micro-granting program without relying on the tax base.

Administration is supportive of the ask and has attached the details of the micro-granting program as submitted by Creative Industries. A recommendation in the amount of \$25,000 is also included for Administrative support for the program. Should Council approve this service level change an agreement between Creative Industries and the Corporation of the City of North Bay would be entered into to support the micro-granting program as a community of interest partnership agreement that will lead to building the creative economy, engaging our residents and overall contribute to North Bay's growth and prosperity. Should CI not proceed or continue to operate as a non-profit charity, the \$25,000 funding allocated for this use would cease.

---

### Link to Strategic Plan:

- Foster arts and culture as a key contributor to attracting talent and supporting creative businesses.
- Develop and engage in programs and activities to retain and attract youth to the City.

- Promote and encourage arts and culture as a cornerstone of a dynamic community.

## CREATIVE SECTOR MICRO-GRANT

### THE ASK

\$20,000 annual support to create a long-term sustainable creative sector micro-granting program for North Bay arts organizations and collectives. Creative Industries North Bay Inc. (C.I.) will administer the annual micro-grant at arms length to the City of North Bay to continue to foster and support ongoing creative sector growth.

A supported and thriving creative sector will lead to a more culturally diverse and sustainable arts community that will enrich our neighbourhoods, local businesses and the livability of our city while building the creative economy, engage our residents and overall contribute to North Bay's growth and prosperity.

### WHY THIS IS IMPORTANT

A strong creative sector is necessary to grow and build economic, wealthy and healthy communities. We can build a stronger vibrant creative class in North Bay with targeted support directly to our local creative sector. C.I. is positioned to develop, administer and maintain a creative sector micro-granting program with the support of \$20,000 from the Corporation City of North Bay. This program will provide North Bay a competitive advantage in comparison to neighboring cities for creatives and young professionals to live, work and grow. Additional sector support will also encourage current creative residents and youth to stay in North Bay, leading to more participation, engagement, community involvement, pride and ownership.

\*Fun Fact - Funding bodies such as Ontario Arts Council and Canada Council for the Arts along with other major funders prioritize northern applicants. The boundaries of what is deemed North is this north of the Muskokas, putting North Bay as the first major city that is categorized as 'North'.

The creative sector is notoriously underfunded and lives in monetary and capacity precarity. Challenges include: lack of diversified funding; lack of framework to build sustainability; lack of resources and sector capacity; lack of local and relative economic impact data, measurables, and ROI's. COVID-19 has brought to light the creative sectors ongoing precarity, adding additional threats putting local creatives, organizations, collectives and initiatives at-risk of full collapse. The negative ripple effect of COVID-19 will be difficult if not impossible to recover from without the development of financially sustainable and diversified funding for our creative sector.

### CREATIVE SECTOR IMPACT

Monetary support to our creative sector will greatly impact our local creative organizations, collectives and leaders as well as the broader public.

#### Creative Sector Impacts:

- Ability to leverage municipal dollars to secure provincial, federal funding;
- Additional funding to increase capacity, quality of programming, professionalism, community impact and relevance
- Diversify funding leading to greater sustainability
- Foster innovation, collaboration across a spectrum of artistic disciplines
- Ensure projects, programming and organizations foster inclusion, diversity and access within the arts
- Accessibility to relative economic impact data, measurables, and ROI's to use in fundraising, sponsorship and funding applications.
- Foster and emphasise partnership building with other sectors

#### THE PROCESS

Eligibility - In order to be eligible to apply for funding, applicants must be located in the City of North Bay and be one of the following: An incorporated non-profit organization OR a distinct and recognized creative sector collective and/or ad-hoc group. (Individual artists will not be eligible)

Application Process - All organizations / collectives and/or ad-hoc groups will need to complete an application to be considered for funding. This application will include: conflict of interest clause; applicant history/overview and past programming; questions regarding programming/funding request; detailed budget; timeline/work plan; support documentation; support letters.

Grant Amounts and Allocation - A jury of peers will determine funding based on overall eligibility; merit; viability and impact to both applicant and community of North Bay.

Selection Process - All applications will be reviewed using a peer assessment process that engages jurors who are representatives of the arts, arts professionals and arts practitioners in the City of North Bay. All applications will be evaluated based on an evaluation process and grading system.

Final Reporting - All grant recipients will submit a detailed Final Report that includes actual budget; applicant and community impact; relative qualitative and quantitative data. Creative Industries will collect and develop an annual report based on all funding allocations that will be shared with the City of North Bay and broader community.

#### THE LONG TERM GOAL

It is C.I.'s mission & responsibility to strengthen, support and grow North Bay's creative sector. We cannot deliver this mission if there is no sector left to support. It is our intent to develop innovative partnerships and a new framework of funding for our local creative sector. It is our goal to establish an endowment fund to grow the base \$20,000 without additional tax-payer investment.

**Costing Center #:** 001-5003-474-1002 & 1802

**Budget Impacted:** Municipal Levy X Building Permit    Reserve    Other    Water    Sewer   

---

### Detail:

During the annual presentation to Council the Chair of the Municipal Heritage Committee (MHC) expressed his desire for a Summer Student position within Planning Services to assist with the MHC Work Plan. Council requested that a Service Level Change be presented in order for this item to be discussed through the 2022 Operating Budget.

Summer Students have been instrumental in achieving the work plan of the MHC. The Planning Summer Student position was removed from Planning Services through the 2021 Budget process. Planning Services regularly seeks grants to offset this cost, however, the grant is not always successful therefore it is recommended that if approved, the full costs be budgeted for.

---

### Link to Strategic Plan: Affordable Balanced Growth

- Celebrate North Bay's proud history and heritage.
  - Provide smart, cost effective services and programs to residents and businesses.

## Service Level Reduction / Increase Template 2022

**Description/Title:** One Day Event – Mattress Drop off at Public Works Yards

**Service Enhancement or Reduction:** Enhancement

**Public:** X **In Camera:**       

**Service Area/Business Unit:** Infrastructure and Operations

**Department:** Environmental Services

**Costing Center #:** 4315

**Budget Impacted:** Municipal Levy X Building Permit    Reserve    Other    Water        Sewer   

---

### Detail:

The City of North Bay implemented mattress recycling in 2017 and has since recycled approximately 19,495 mattresses. The program has been successful however residents have expressed frustration with not having the ability to drop off their mattresses within city limits.

Currently mattresses are delivered to the Merrick Landfill Site; however this location is approximately 25km outside of City limits. This service level change would allow residents to drop off their mattresses at City of North Bay Public Works on Franklin Street which is centrally located. We are proposing that a one day event could be held which would allow residential users to drop off mattresses at Public Works. This is similar to a previous one day mattress recycling event which was held in 2018 and was successful.

Two tractor trailers would be set up at Public Works along with 3 employees loading mattresses and one employee for customer service and collection of payments. It is assumed this work would be done on overtime. The event would be for residential users only; no ICI mattresses would be accepted. Cost per mattress would continue to be \$17.

---

### Link to Strategic Plan: Natural, North & Near

- Protect, promote and enhance the environment in all aspects of the city's operations and plans.

## Service Level Reduction / Increase 2022

**Description/Title:** Security Services for Parking Garage

**Service Enhancement or Reduction:** Enhancement

**Public:** X **In Camera:**     

**Service Area/Business Unit:** Infrastructure and Operations

**Department:** Parking

**Costing Center #:** 3801 – Parking Admin

**Budget Impacted:** Municipal Levy X Building Permit      Reserve      Other      Water      Sewer     

---

### **Detail:**

The parking department proposes hiring full time security to patrol the parking garage from 10pm-6am, 7 days a week, 31 weeks a year. The 31 weeks is to cover the time when parking is unable to share security with the Marina.

The Parking Garage allows up to 150 vehicles to park in the downtown core and is used to promote Downtown living and as an incentive to keep Business's in the Downtown. In recent years, the parking garage has become a common hang out for unknown individuals. These individuals are leaving garbage, used needles, furniture, blood and human waste for City crews to clean up in the mornings. It has become a not uncommon occurrence to find unknown individuals using intravenous drugs and sleeping in the facility. City staff is tasked with moving individuals along who are using the facility as a shelter and have expressed safety concerns.

In order to address this urgent concern in the downtown, the parking department implemented a trial program to have security guards patrol the premise three (3) times every night from 10-6am. This resulted in noticeable improvements to the state of the garage in the mornings.

Cost sharing for this security will be explored with other downtown partners and departments with interests in the downtown.

### **Advantages:**

- Potential to increase the number of citizens that will shop downtown after work
- Potential to increase the number of citizens that would consider living downtown
- Reduce the operational burden on City staff related to hosing down and cleaning up the facility in the mornings

### **Disadvantages:**

- This will increase operational costs for parking that are unlikely to be offset by the increased revenue
- Unknown individuals will move their activities to other locations within the Downtown

---

### **Link to Strategic Plan: Economic Prosperity**

- Engage the business community in identifying and developing economic opportunities.
