

The Corporation of the City of North Bay

By-Law No. 2022-54

Being a By-Law to Amend By-Law No. 2010-108, as amended, (Waste Management By-Law)

Whereas The Corporation of the City of North Bay (the "City") is the owner and operator of the Merrick Landfill Site located in Merrick Township (the "Landfill Site");

And Whereas the City is authorized to regulate and inspect the use of any land or structures within the municipality or any defined area or areas thereof for dumping or disposing of garbage, refuse, or domestic or industrial waste of any kind;

And Whereas the Council deems it desirable to regulate the disposal of garbage by way of landfill bans, recycling and home composting systems;

And Whereas Council passed Resolution No. 2021-510 at its Regular Meeting held on Tuesday, December 14, 2021, to allow for an exemption to the number of receptacles of waste at the curb;

And Whereas Council passed Resolution No. 2022-166 at its Regular Meeting held on Tuesday, May 17, 2022 to include larger multi-residential buildings service levels.

Now Therefore the Council of the Corporation of the City of North Bay hereby enacts as follows:

1. That paragraph 2 (a) through (j) of Section 4 – Curbside Collection of Solid Waste be deleted and the following inserted in lieu thereof:

 - (b) The total number of containers placed at curbside for the collection of solid waste from non-residential premises shall not exceed five (5) containers twice per week.
 - (c) Collection from any multi-residential building having more than two (2) dwelling units but fewer than ten (10) dwelling units shall consist of not more than twenty (20) receptacles or bundles which comply with Section 4 of this by-law.
 - (d) An owner/occupant may make an application for an exemption to the total number of containers placed at curbside for the collection of solid waste.
 - (e) City Staff will review and approve on a case by case basis all applications for exemption
 - (f) Collection from any multi-residential building having ten (10) to twenty (20) dwelling units shall consist of one (1) lift per week of one four (4) cubic yard container placed and maintained on the site in a location and manner and on terms satisfactory to the Director of Public Works.

- (g) Collection from any multi-residential building having twenty-one (21) to fifty (50) dwelling units shall consist of one (1) lift per week of one six (6) cubic yard container placed and maintained on the site in a location and manner and on terms satisfactory to the Director of Public Works.
- (h) Collection from any multi-residential building having fifty-one (51) to seventy-five (75) dwelling units shall consist of two (2) lift per week of one six (6) cubic yard container placed and maintained on the site in a location and manner and on terms satisfactory to the Director of Public Works.
- (i) Collection from any multi-residential building having seventy-six (76) to one hundred and twenty-five (125) units shall consist of three (3) lifts per week of one six (6) cubic yard container placed and maintained on the site in a location and a manner and on terms satisfactory to the Director of Public Works.
- (j) Collection from any multi-residential building having one hundred and twenty-six (126) to one hundred and seventy-five (175) units shall consist of four (4) lifts per week of one six (6) cubic yard container placed and maintained on the site in a location and a manner and on terms satisfactory to the Director of Public Works.
- (k) Collection from any multi-residential building having more than one hundred and seventy-six (176) units shall consist of five (5) lifts per week of one six (6) cubic yard container placed and maintained on the site in a location and a manner and on terms satisfactory to the Director of Public Works.
- (l) Any owner entitled to the minimum level of container collection service as set out in subsections (f), (g), (h), (i), (j) and (k) who desires a higher level of service may release the City from providing the minimum level of service by so advising the Director of Public Works in the prescribed form.
- (m) Notwithstanding that the City is released from providing the minimum level of service pursuant to subsection (l), the City shall:
 - (i) maintain payment to the prime City Contractor of the amount otherwise payable for the minimum level of service;
 - (ii) monitor the service being provided to any owners from time to time to determine whether the service provided otherwise conforms with this By-Law; and
 - (iii) provide the minimum level of service upon request of the owner in the prescribed form on fifteen (15) days notice.
- (n) The Collector shall follow such routes as approved by the Director of Public Works and conform with all instructions from them."

2. That all references made to the Director of Engineering, Environmental & Works throughout By-Law 2010-108 be amended to "Director of Public Works".

3. This By-Law comes into force and effect upon being passed.
