Options Analysis

There are three options for Council's consideration.

Option 1:

That exclusivity be granted of the City-owned or controlled lands (except the North Bay Wastewater Treatment Facility Lands) within the area defined as, extending from, and inclusive of the waterfront beaches starting at Tenth Street and both sides of Memorial Drive from the Uniroc site up to and including Lee Park for the 2024 Armed Forces Appreciation Day being held June 19th, 2024. (See map attached)

Option 2: Grant requests in amended form.

If Council is not satisfied with the requests as presented, Council could amend the areas of exclusivity recommended and the Armed Forces Appreciation Day Committee will have to work inside those boundaries.

Option 3: Refuse to grant request.

That exclusivity not be granted of the City-owned or controlled lands (except the North Bay Wastewater Treatment Facility Lands) within the area defined as, extending from, and inclusive of the waterfront beaches starting at Tenth Street and both sides of Memorial Drive from the Uniroc site up to and including Lee Park for the 2024 Armed Forces Appreciation Day being held June 19th, 2024.
